*Maine*

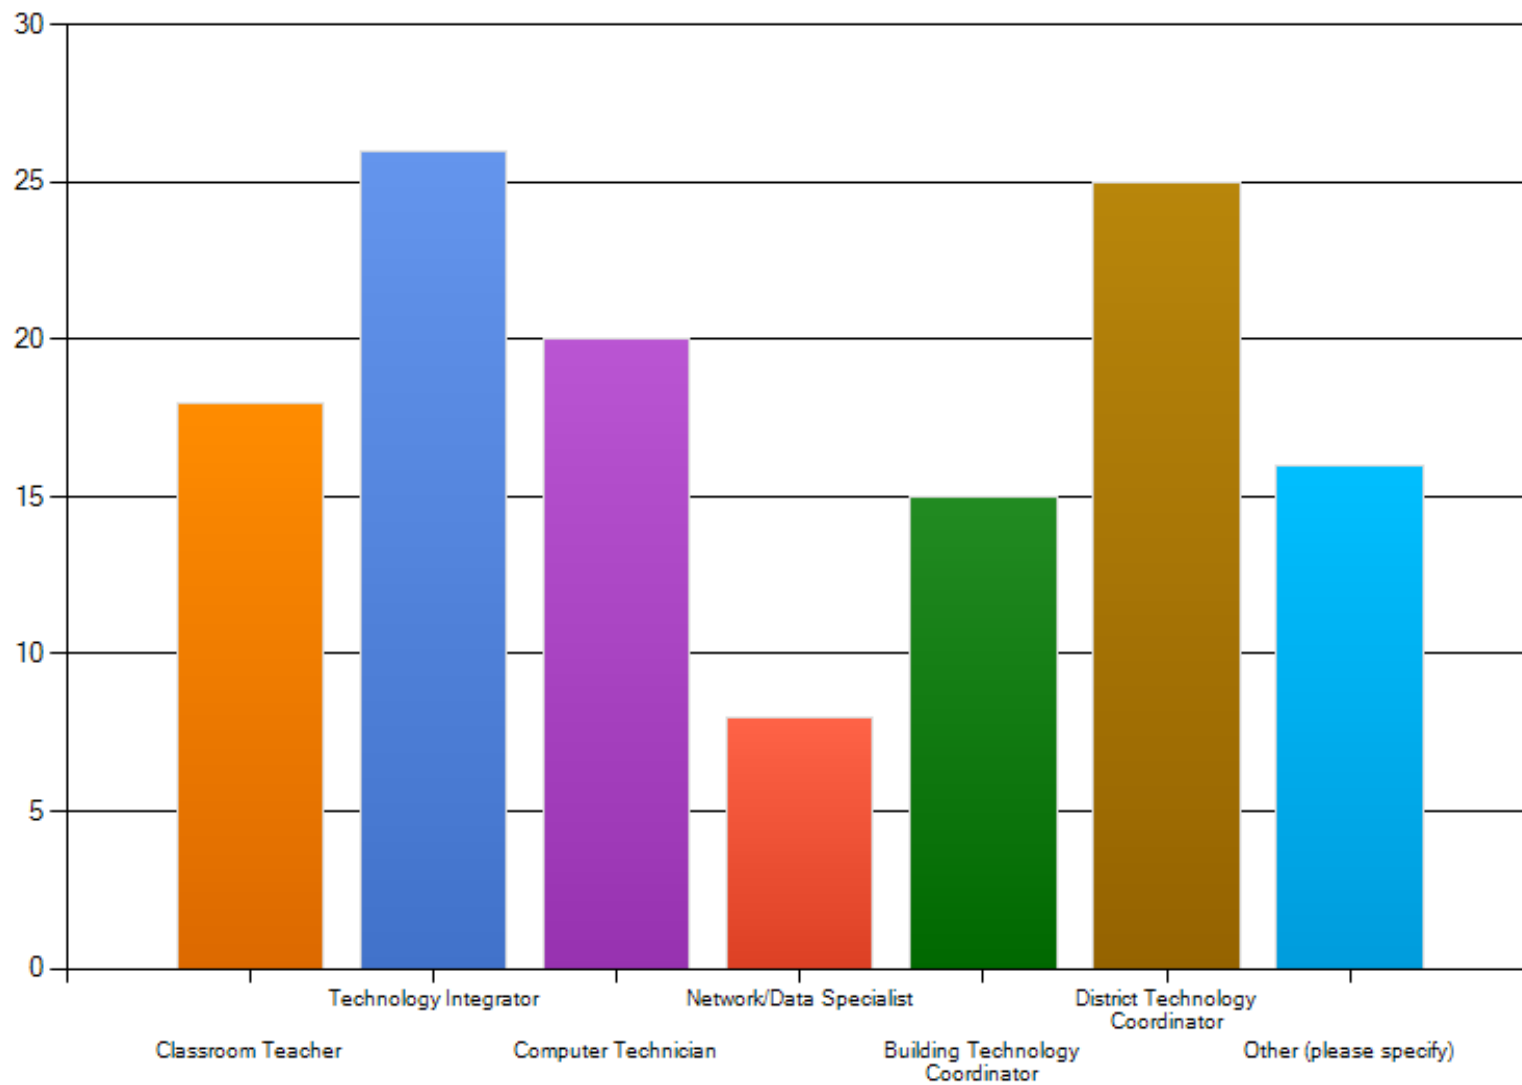

ASSOCIATION OF COMPUTER TECHNOLOGY EDUCATORS OF

# **Professional Development Survey 2009**

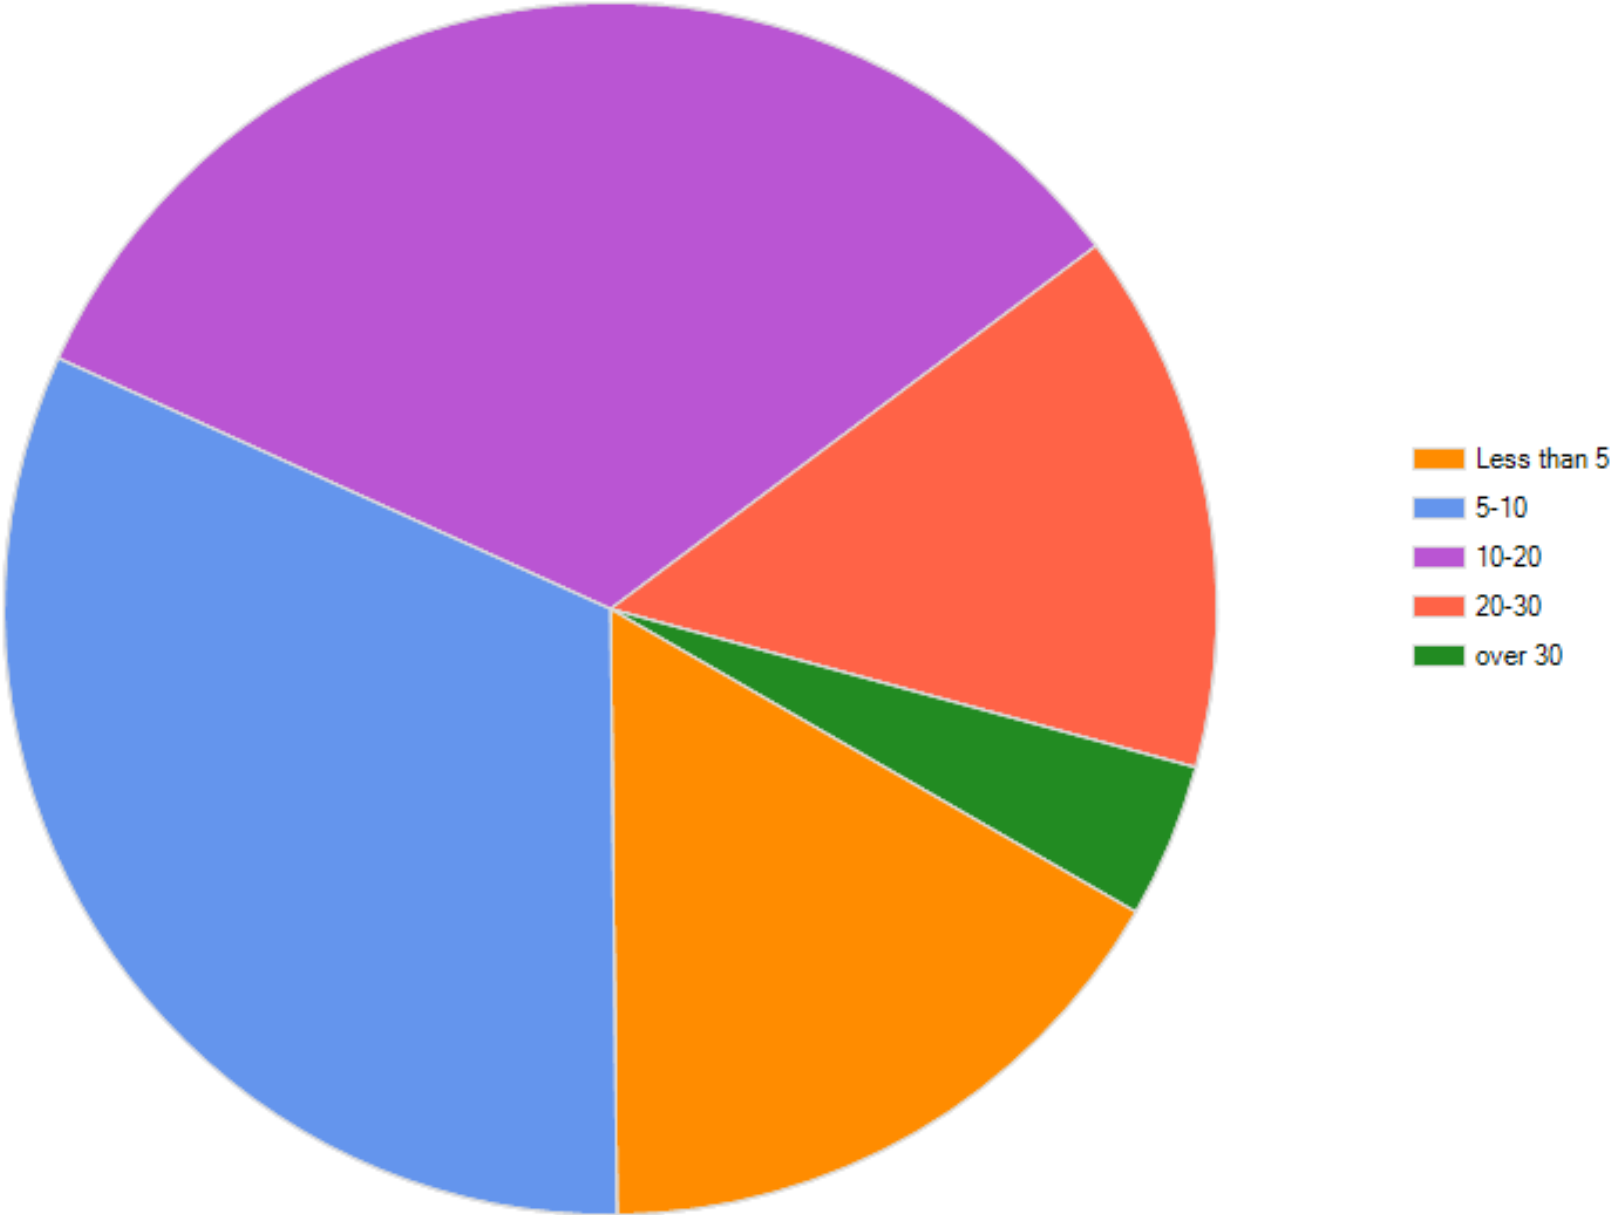

# Survey Highlights

- **97 people surveyed**
- **Technology Integrators and District Technology Coordinators made up a majority of the people surveyed**
- **A majority of people have been working with technology between 5 and 20 years**
- **About 50% of the people who took the survey have used their \$400 PD reimbursement**
- **Most people would be willing to travel 25 or more miles for an ACTEM training session**
- **About 50% said they would travel between 50 to 100 miles for an ACTEM training session**
- **80% of responders indicated they would like to see ACTEM training sessions use a combination of modes of delivery (online, face-to-face, video conferencing)**
- **85% of responders would rather attend ACTEM sponsored trainings rather than lead them**
- **94 different topics proposed**

### What is your current position?

How many years have you been working with technology in education?
