

Guest keynote speaker nationally reknowned, David Warlick

David Warlick, a 30 year educator has been a teacher, administrator and staff consultant. For 10 years he's been director of The Landmark Project, a web development, consulting & Innovations firm.

His web site serves more than 6 million visits a month. Author of 3 books David has spoken to audiences in the U.S., Europe, Asia & South America.

What makes David an effective and sought-after speaker is that, at heart he is a teacher with a contagious passion and enthusiasm for helping people discover a new world of teaching and learning.

Don't miss this exciting Professional Development opportunity for Educators, Administrators, Media Specialists, Technology Integrators & Coordinators
