FAX: (207) 239-3113

The Distance Learning Teacher Training package focuses on Student Created Content. The training builds upon both the (T4) Training modules as well as trainings offered through the LIVE-C users group (www.cbetech.com/live-c).

The TANDBERG Teachers Training Teachers Program (T4) goes beyond traditional training in videoconferencing equipment by providing both initial and follow-up training, which is crucial to spur teacher adoption of the technology. The program is hands-on and empowers teachers to develop distance-learning programs and classroom applications.

THIS TRAINING WILL TEACH YOU HOW TO:

- Help educators teach their students how to deliver online video content
- Work with students who have experience delivering content over video
- Record and archive content by utilizing the Tandberg Content Server (TCS)
- Build and deliver a virtual fieldtrip by collaborating with participants and students

TRAINING INCLUDES:

- Minimum of 1.5 hours of T4 Training
 - Training will be held over video with a maximum of 4 districts/2 people per location
 - \$50/pp for more than two participants per site
- 1 Virtual Fieldtrip/site
 - TANDBERG will provide a list of content providers to choose from that will work with your school to schedule content providers
- Automatic entry into state-wide student contest for creating the best video content
 - Winners will be announced at ACTEM Maine Education Conference in October
 - Categories for High School, Middle School, and Elementary
 - 1st prize — iPod Touch™ virtual fieldtrip, and t-shirts for participating staff & students
 - 2nd Prize — virtual fieldtrip and t-shirts for participating staff & students
 - 3rd Prize — t-shirts for participating staff & students

TRAINING COST:

\$1,000/school*

*FUNDS WILL ALSO BE USED AS MATCH FOR THE ACTEM RUS GRANT TO HELP DEPLOY VIDEO CONFERENCING EQUIPMENT AT THE UNIVERSITY OF MAINE WHICH WILL BE TARGETED FOR USE BY ANY K-12 SCHOOL IN THE STATE. EQUIPMENT INCLUDES A HD VIDEO BRIDGE, TCS, AND MOVI DESKTOP VIDEO SOLUTION. FOR MORE INFORMATION ON THESE PRODUCTS, GO TO: WWW.TANDBERG.COM.
