Comments:

- I do miss seeing all my ACTEM friends in person. :) Stay Safe Everyone!
- Comment about timing – Liked the afternoon/evening offering over a couple of days like last fall.
- Thank you so much for all you do to make these conferences happen! I love the opportunity to catch up with all of you and to learn a few new things along the way.
- It would be great if some sessions were run more than once. (Most sessions were recorded and will be available on the ACTEM website soon).
- I'd love the option to attend both in person and virtually in the fall
- Thank you for not giving up on us. I always leave learning so much.
- Couple of positive comments about the Hopin event platform
