Maine

The mission of **actem** is to enhance and influence education in Maine through the use of technology.

■ is a non-profit 501c3 educational association that has been in existence in Maine since the 1990's

■ is an independent, dynamic professional organization, which strives to influence quality teaching and learning through the effective use of technology

■ supports its members by providing relevant professional development opportunities and resources, by aiding schools with education technology initiatives, and by functioning as a purchasing consortium

■ empowers members to leverage new and existing technology innovations to meet educational goals

■ advocates for its members as a proactive voice in State and National discussions on education technology policy and initiatives

**Maine's
ISTE
affiliate**

The **International Society**

for Technology in Education (ISTE®) is a nonprofit organization that works with the global education community to accelerate the use of technology to solve tough problems and inspire innovation. Our worldwide network believes in the potential technology holds to transform teaching and learning. ACTEM is a valued affiliate of ISTE and connects with more than 70 other affiliates to share best practices, increase service to members, and strengthen impact in local education communities.

What does actem provide?

CONFERENCE Our fall conference is the largest education technology event in Maine for educators and administrators.

- The 2-day conference typically features over 150 workshops sessions, national keynote speakers and 40+ vendors in the exhibit hall.
- Our Spring Leadership conference features topics important to Maine technology leaders and staff.

NEWS ACTEM has a quarterly newsletter, the *Connected Educator* with articles for professional development, events and conferences.

AWARDS Our ACHIEVE Awards recognize and honor innovative Maine educators that effectively use technology in their school district.

- Award winners receive \$2,000 cash, their school or district receives a \$1,000 gift certificate for technology related products or services.

- Information about ACTEM's ACHIEVE award can be found at <http://www.actem.org/AchieveAward>

PROFESSIONAL DEVELOPMENT ACTEM provides a variety of professional development events for Maine Educators.

PD REIMBURSEMENT Members are invited to apply for assistance in the form of reimbursement on qualifying technology PD activities that are not funded by their local district.

- Must be a current individual member for a minimum of 180 days
- Maximum of \$400 per membership year
- Information and requirements can be found at: <http://www.actem.org/ACTEM-PD>

OVERDRIVE PD LIBRARY A collection of eBooks and Audio books for our members to borrow from the online PD library. The online library collection can be found at: <http://actem.lib.overdrive.com>

PURCHASING CONSORTIUM ACTEM offers significant price savings on popular software titles from Adobe, Filemaker, Microsoft, Sophos and other vendors. ACTEM looks to partner with vendors that can offer better pricing for Maine schools and hopefully offer something in return in the way of funding to assist ACTEM with our mission.

LISTSERVE The ACTEM listserv has been established as a mechanism for information exchange and problem resolution for use by those interested in enhancing and influencing education through the use of technology in Maine schools.
