

elevAtIon

A SUMMIT ON A.I. IN EDUCATION

SATURDAY, JANUARY 13, 2024

8:00 AM TO 4:00 PM

SOUTH PORTLAND HIGH SCHOOL,
SOUTH PORTLAND, MAINE

CALL FOR PROPOSALS

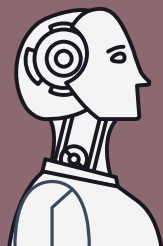

"It's not about what A.I. can do for you; it's what you can do with A.I." -ChatGPT

Help us to raise the A.I. IQ of educators, school and district leaders, and technologists by submitting a proposal to participate as a presenter at elevAtIon, an A.I. in Education Summit designed for school and district leaders, educators, and technologists!

We are interested in having a range of learning experiences for elevAtIon Summit participants that explore all things A.I. in education (e.g. best instructional A.I. practices/tools, benefits and challenges of A.I. in schools, "how-to" tutorials, instructional leadership with emerging technologies). Partners and groups are encouraged to collaborate on proposals.

Presentation formats will include:

- Interactive sessions with topical presentations
- Panel discussions
- Playspaces for hands-on exploration
- Facilitated conversations about best practices
